2. Matters arising from the minutes.
 - a. Roads – potholes at junction of Mill Rd and Diss have been temporarily fixed. Flooding at Pristow Green near village hall and flooding and poor drainage to footpath off Pristow Green continue to be a problem. Gemma to look at who owns land around footpath it was agreed to write to council formally to address these issues. OTC to do
 - b. Community Hall – David welcomed – good progress being made on website and Owen to look at getting council onto this with minutes etc all agreed that it would be beneficial for agenda /meeting dates planning etc to be on along with who is on committee and roles. David announced that fitstep is going well and hall is being well used.

David Timson co-opted onto parish council – welcome David- Owen proposed and Gareth 2nd. Gareth advised he has had another party state interest and Sarah advised that she has had some interest in clerks post unfortunately the person felt she was overqualified at this point but would help if needed in interim /locum to be looked at if no one else comes forward. Gareth suggested getting generic description of post and Sarah advised that there are courses for applicants to go on to help with role.

Gareth reported fly-tipping to south Norfolk and was very surprised by their swift response – it was cleared in 2 working days – he would like to highlight to parish effectiveness of self reporting on website.

A litter pick in village organised by South Norfolk would be a good idea raises money for village and helps environment – Hall will probably do and Gareth agreed to look further.

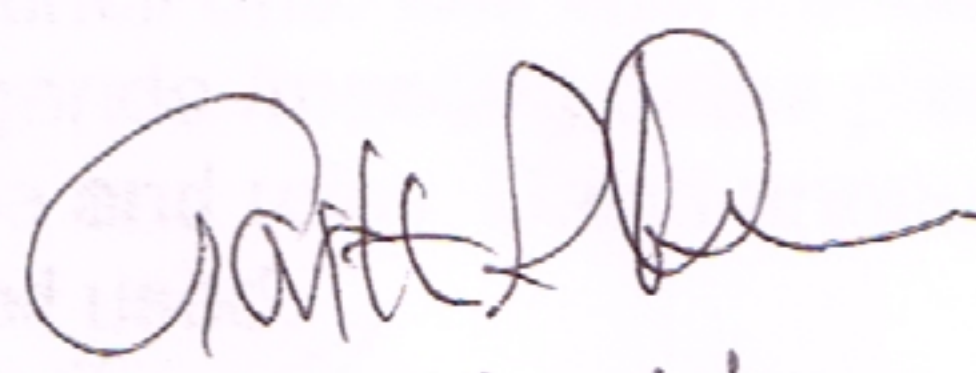

It was felt the telephone box is looking shabby inside lots of wet /damp books and advertising not looking good now – any suggestions from Parish would be welcome. In meantime will be cleared.
