

## District Councillors Report

South Norfolk House has now closed all staff have been transferred to Thorpe House (Broadland Council Offices) until the new office at Horizon House is completed and ready for use.

The Octagon in Diss is now open and has a member of SNC staff in attendance daily.

I had the opportunity to attend a meeting that discussed the recent HMICFRS inspection of Norfolk Constabulary.

The Constabulary did very well.

The results were as follows:-

**Outstanding** - Good use of resources

**Satisfactory** – Investigating Crime, Responding to the public, Protecting vulnerable people

**Requires Improvement** – Treatment of the public

Other information from the accountability meeting:-

Rape and sexual assaults are increasing

Norfolk has the 2<sup>nd</sup> lowest Burglary rate in the country

Domestic abuse is increasing

Best performing County in the UK for answering 999 and 101 calls

60% of all calls to Police are not crime related, most are mental health issues

E scooters cannot be ridden on the road but Beryl scooters can

Nation wide 40% of all crime is cyber related and most from overseas or out of area which makes investigation very difficult

Speeding – 48000 tickets issued per year. After administration costs all monies are re-invested in Road Safety. NOT in Constabulary or Government coffers.
