Message from Inspector Selvarajah

It's been a busy time for all emergency services and sadly five of my officers were assaulted during the Festive period. The Safer Neighbourhood Team carried out a retail crime operation leading up to Christmas in Diss Town Centre and the patrol teams focused their down time by taking part in the national drink drive campaign and local licensed premises visits. A reporter from the Diss Express has spent some time with us and will report on her findings. I feel this offers transparency of your local police. Crime is relatively low at this time with no significant trends being identified. The team continue to focus on protecting the border along the A140/ A143 in order to disrupt criminals coming into South Norfolk. We have made a number of good preventative arrests particularly around drugs and vehicle related crime. I am going on a secondment to the Police Service of Northern Ireland and our neighbourhood sergeant Dave Burke will be stepping up in my absence. I am confident that you will be left in safe hands particularly that Dave has worked in South Norfolk for over 10 years.

Message from your Engagement Officer

We are always looking to recruit a wide variety of volunteer roles. These roles are made up of volunteers from the community.

The Specials are volunteers who start at age 18 and have the same powers as regular police officers. They conduct patrols and respond to concerns in the community.

Support Volunteers assist us in a variety of ways including administrative tasks, enquiry office functions and the cleaning and checking of our police vehicles.

Neighbourhood Watch is about ensuring communities look after one another and feedback information to police as well as their residents.

Community Speed Watch concerns educating drivers about the importance of speed limits and builds up a bigger picture of where the issues are.

If you are interested in volunteering for any of these roles contact me on the details below.

Message from your Beat Manager Pc Baker

Diss Safer Neighbourhood Team have been concentrating their time on the 3 priorities set by the street surgery- Speeding, Anti-social use of motor vehicles and Drugs.

December was a busy time, I assisted with an operation targeting shoplifters in DISS in the run up to Christmas. This appears to have been a success as no shop thefts were reported.

I continue to hear people ask what I am doing about matters that have not been reported to the police. If you have information which you believe to be of relevance to the police, please report it. Either to the police or crime stoppers.

There have been reports in the media regarding youths and anti-social behaviour. I have visited the main secondary school and information is being passed in assembly's regarding some of the dangers of this behaviour and its consequences.

Neighbourhood Priorities

Currently the team are working on -

Speeding, Drugs and Vehicle related ASB

Next Street Surgery-
